

MASCRETE®

Safety Data Sheet

Section 1. Identification

 Product Name: MASCRETE®

 Effective Date: 31 May 2015

 Manufacturer Name:
 Silpro, LLC

 Address:
 2 New England Way

Replaces: 6 May 2009

Ayer, MA 01432-1514 24/7 EMERGENCY PHONE: INFOTRAC 800-535-5053 Call collect internationally 352-323-3500 24/7 HEALTH EMERGENCIES: 800-222-1222 National Poison Control Center.

Section 2. Hazard(s) Identification

Emergency overview: Gray solid or powder with a little odour. MASCRETE® may cause eye damage and skin irritation. Inhalation may cause respiratory irritation and ingestion may cause gastric distress.

CARCINOGENICITY: Crystalline silica.

Section 3. Composition/Information on Ingredients

Ingredients		-		
Component	CAS #	EINECS #	Percent	REACH Reg. #
Crystalline silica	14808-60-7	238-878-4	>66	No
Portland cement	65997-15-1	266-043-4	Balance	

Section 4. First Aid Measures

Eye Contact: Flush eyes with water immediately while holding eyelids open. Remove contacts, if worn, after initial flushing and continue flushing for at least 15 minutes. Seek medical attention if irritation persists.

Skin Contact: Use soap and water to remove from the skin, remove contaminated clothing, clean thoroughly before reuse. If irritation persists, contact a physician.

Inhalation: Move to fresh air. If not breathing, give rescue breathing. If breathing is difficult, give oxygen. Seek medical attention if breathing is still difficult.

Ingestion: If swallowed, get medical attention immediately. DO NOT INDUCE VOMITING. Never give anything by mouth to an unconscious person.

Section 5. Fire Fighting Measures

Flash Point: Not combustible.

Flammability Limits: NE.

Fire Fighting Media: Use dry chemical and carbon dioxide.

Special Fire Fighting Procedures: First responders need to wear full-bunker gear with SCBA, never enter a confined space unless fully protected with proper personal protective equipment (PPE).

Section 6. Accidental Release Measures

Use personal protective equipment, see section 8.

Clean-up Procedures: Stop the source of the release if you are not put at risk. Use absorbent material (such as sand or kitty litter) to absorb the spill, use shovel to pick up absorbent for disposal. **Spills and Leaks:** Dispose in accordance to local, state or federal regulations.

Section 7. Handling and Storage

Handling: Do not get into eyes, on skin and on clothing. Do not breathe dusts or mists. Wash thoroughly after handling. Do not freeze. Keep out of sunlight.

Storage: Store in original labeled container. Keep in cool and dry areas.

Section 8. Exposure Controls/Personal Protection

Introductory Remarks: Consider the potential hazards of this product outlined in section 2. Use process exposures such as local exhaust ventilation, to control over exposure to airborne levels above recommended exposure limits.

Ingredient Crystalline Silica Portland cement OSHA PEL 5 mg/m³ 5 mg/m³

Personal Protection:

Eyes: Wear safety goggles or safety glasses to prevent eye contact.

Body: Long sleeve shirts, long pants, socks, rubber boots and chemical-resistant gloves.

Hands: Neoprene chemical-resistant gloves.

Respiratory: Wear an approved respirator that provides protection from this product if the airborne concentrations exceed the recommended exposure limits.

Other: None.

Section 9. Physical and Chemical Properties

Odour/Colour	Gray solid or powder/Slight odour	Melting point	3110°F (1710°C)
Solubility	Slight in water	Specific gravity (water=1)	>2.75 @ 68°F (20°C)

MASCRETE®

Section 10. Stability and Reactivity

Chemical Stability: Considered stable under normal ambient temperatures.

Hazardous Decomposition: If complete combustion, oxides of carbon and silicate are formed.

Hazardous Polymerization: Will not occur

Incompatibility - Materials to Avoid: Strong oxidizing agents and strong acids.

Section 11. Toxicological Information

The product is not toxic. Acute Eye Irritation: Severe eye damage. Acute Skin Irritation: May be irritating. Acute Dermal Toxicity: Not expected to be toxic through the skin. Acute Inhalation Toxicity: Not determined, expected to be an irritant to the respiratory system. Carcinogenic Effects: Crystalline silica

Section 12. Ecological Information

Ecotoxicity: The toxicity of this product has not been determined.

Environmental Fate: This product's environmental fate has not been determined.

Section 13. Disposal Considerations

Waste Disposal Method: Whatever cannot be saved for recovery or recycling should be managed by the local, state or Federal Regulations

Container Handling and Disposal: All containers should be disposed of according to local, state and Federal regulations.

Section 14. Transport Information

Ground Classification: Not regulated by US DOT. Shipping Name: MASCRETE® IATA or IMO: Not regulated.

Section 15. Regulatory Information

EPCRA 311/312 Categories:	Immediate (Acute) Health Effects:	Yes
	Delayed (Chronic) Health Effects:	Yes
	Fire Hazard:	No
	Sudden Release of Pressure	No
	Reactivity:	No
	×	

European Community Pictogram:

WHMIS: Xi (Irritant to the eyes and skin).
Right to know classification: Crystalline silica is listed in NJ, PA and RI.
TSCA: None of the ingredients are listed.
Reportable Quantity (RQ): None.
Prop. 65: None.
Crystalline silica is listed in chemical inventories of ACIS, ECL, EEC, ENCS, EU, Israel, MAC, MAK, MITI, PICCS,

SWISS, Taiwan, USA and UK.
