SilproRepair™ VOH

Concrete Repair, Fast Set Structural Repair Mortar, Vertical and Overhead

NEBRASKA

SilproRapid™

Concrete Pavement & Structural Patching Material

SilproRepair™ VOH

Concrete Pavement & Structural Patching Material

SILPRO
SilproRapid™

50 lb \$ _____

PERFORMANCE CHARACTERISTICS

- Structural Full-Depth Repair Mortar
- Low Permeability (Extended)
- Fast-Setting
- Cement-Based
- One Component
- Non-Shrink
- Open to vehicle traffic in as little as 1 hour (at 73°F)
- No added chlorides

SILPRO
SilproRepair™ VOH

50 lb \$ _____

PERFORMANCE CHARACTERISTICS

- Structural Vertical and Overhead Application
- Freeze/Thaw Resistant
- Corrosion Inhibitor
- Low Permeability
- One-Component
- Fiber Reinforced
- Up to 4" Per Lift
- Rapid-Setting
